RE: SC Office of Regulatory Staff's Motion to Solicit Comments from Utilities and Other Interested Stakeholders Regarding Measures to Be Taken to Mitigate Impact of Threats to Safe and Reliable Utility Service

Dear Ms. Boyd:

The City of Union owns and operates the natural gas system and is in full compliance of all federal and state guidelines.

Having reviewed Commission Order No. 2021-163, the City of Union submits that it is not in a position to provide the Commission with relevant information in response to the Commission's solicitation of comments on those specific issues. However, as the investigation proceeds, the City of Union will be available to the Office of Regulatory Staff Commission to answer any questions relevant to their respective operations that will assist ORS and the Commission in making a full and comprehensive review of the measures that may be taken to mitigate any impact or threats to safe and reliable natural gas service in Union, South Carolina. The City of Union reserves the right to provide relevant information to the Commission in the docket as the record in the docket develops.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe F. Nichols".
